

SAILOR SOCCER CLUB
SPRING 2010
NEWSLETTER

Welcome back. Hope everyone had wonderful holidays. Snow is still on the ground and I think it gets colder every day, but it's time to get out the cleats and soccer balls and think ahead to the spring season.

Coaches, Assistant Coaches, Managers: Please make sure your risk management card is current. Check out our website for the link to renew or apply for your risk management card. There is a \$10 fee for this; the card is good for two years. If you have a problem with the fee, please let me know.

Please list on your child's registration form if you are interested in coaching. It is very helpful for me if I do not have to make a lot of calls before I send the rosters in to the league. We have had some coaching issues in the past, so please if you have any interest at all in coaching or helping out, I need to know as soon as possible. We always seem to be short on volunteers for the older age groups, so please step up and help out. If I don't have volunteers by the time I send the first set of rosters in, I am going to have to drop the teams. When you fill out the registration form, please note only one player per form. You can download additional forms from the website. If you know of anyone interested in playing for our club that has not played before, please give them the information about our website.

The spring season begins April 17, with practices starting a couple weeks before that (hopefully). Registration deadline for spring signups is February 22. Any late registrations will be put on waiting lists and charged \$25 late fee. Please add any comments or requests to front of registration form. I will try to honor requests, cannot promise. If you have any coaching issues, it would be great to hear about these issues when you send in your registration, not after the teams have already been formed.

We plan to have the concession stand open again this season. Thanks to our great volunteers who stepped up to take over running it. Anyone interested in helping out, please let us know.

Please remember good sportsmanship whether you are at our home fields or away.

See you in the spring!

Toni
